

# Refer new golf members and receive **FREE DUES!**

Our 2019 Membership Referral Program is now underway. It will be in effect until October 1<sup>st</sup>.

When you refer a new member to Hanover Golf Club, you will receive one month of **FREE** dues for each member who joins the club with a **golf** membership.

In addition, the member who refers the most golf members (minimum of 3 new members) to the club will receive a \$500 credit to their club account.

All referrals must be turned into our Sales Manager, Matt Morris, on a club referral form prior to the new member joining the club. Forms are available in the clubhouse and on our website [hanovergolfva.com](http://hanovergolfva.com) under the “membership” tab.

Referring new members has never been easier! We are offering **ZERO** initiation fees and each of our membership programs represent great value.

There are many exciting things happening at the club, and we hope you will share them by referring your family, friends, co-workers, and other acquaintances to become an HGC member!

Contact Matt for more information or if you would like to have a form sent directly to you via email.
